Proof Of Talk

June 2nd & 3rd - The Louvre, Paris

The sharpest bittensor minds from bittensor are all going to be in one place - the beautiful Louvre in Paris

The Bittensor Track at Proof Of Talk

- The Bittensor ecosystem is coming to the Louvre in Paris.
- The Bittensor track brings subnets, builders, capital allocators and ecosystem leaders into the same room
- Bittensor will be presented not only to its own ecosystem, but to a broader audience of institutional finance, crypto-native founders, funds and senior digital asset leaders.
- This is Bittensor's moment in front of some of the strongest investors and allocators in crypto and traditional finance.
- Proof of Talk gathers ~2,000 senior figures across digital assets and traditional finance, with over 85% at C-suite or partner level.
- Built for signal over scale: curated programming, senior attendees, intentional stage placement.
